22nd September 2026

Dear Parents/Carers

Pupils in Year Five have the exciting opportunity to visit the Winchester Science Centre. We will be visiting the amazing Planetarium as part of our Science topic – Space – in which the children will be able to soar through the universe. We will take part in workshops all about rockets as well as having full access to the science centre exhibits!

We will be travelling by school minibus in two groups on Monday 19th October, leaving school at 9.15am and returning before the end of the school day.

The cost of trip will be a voluntary contribution of £11.00 which will include:

- Entry to the museum, workshop and planetarium experience: £6.00
- Transport: £5.00

The children should bring a packed lunch and wear school uniform on the day with sensible, comfortable footwear. Please remember no glass bottles or fizzy drinks.

Since this trip will take place during school hours and is linked to our curriculum you do not need to give permission for your child to attend. If you are able to offer your help on this trip please indicate on the slip below.

Yours sincerely

Miss A Taplin
Class teacher
