A note from Miss Hughes

What a wonderful week it has been in school! The children have settled beautifully into their routines and classrooms are full of energy, enthusiasm, and great learning. We also enjoyed our very first Golden Book assemblies, celebrating those children who have impressed us with their effort, kindness, and determination – such a proud moment for everyone.

There has been a real buzz around school as the children designed mascots for our new values. From the Brave Beaver to the Supportive Snake, their creative ideas have been fantastic. Next week, the children will vote to decide which mascots will represent us – so watch this space!823

With best wishes,

Amy Hughes (Headteacher)

Medical Tracker

From Monday, we will be moving to a new system called Medical Tracker to record and share information about any bumps, scrapes, or first aid your child receives at school. This means we will no longer be sending home paper bump notes. Instead, parents and carers will automatically receive an email if their child has an accident or injury at school.

This will make communication faster, clearer, and more reliable. Please ensure the school office has your up-to-date email address so you don't miss any notifications.

Please note, we will no longer make head bump phone calls as you will automatically receive an email which includes all the necessary information.

Wraparound Care

We're delighted that our new wraparound care, delivered by **Premier Education**, has got off to such a positive start. Children are enjoying a wide range of activities, from sports and games to arts, crafts and wellbeing sessions, all in a safe and supportive environment. Parents have found the booking system simple and flexible, and children have loved the healthy breakfasts and after-school snacks on offer.

Thank you to everyone who has joined us so far - it's been wonderful to see so much enthusiasm.

If you haven't tried wraparound care yet, there's still plenty of time to get involved!

Bookings can be made here:
